ABOUT GREENLEAF ART CENTER

Greenleaf Art Center provides studio and exhibition space for over fifty area artists and is home to five business enterprises. Since its inception in 1990 by Kathie and Denis Paluch, it has grown to become a vibrant part of the Rogers Park arts community. The center hosts a variety of exhibitions, open studio events, art salons and creative workshops throughout the year.

The Long Hall Gallery has become a destination for business and community meetings. It's an imaginative alternative for private parties and to host one-man shows and group exhibitions.

Membership in the Greenleaf Art Center allows you to join the creative community, participate in monthly art salons, group shows, the center's web site and use of the Long Hall Gallery.
